# About Skagit Transit

---

Skagit Transit has the following office and facility locations:

Maintenance, Operations and Administration (MOA) Office  
600 County Shop Lane  
Burlington, WA 98233

Skagit Station  
105 E. Kincaid Street  
Mount Vernon, WA 98273

New Maintenance, Operations and Administration (MOA) Construction Site  
11784 Bay Ridge Drive  
Burlington, WA 98233

Skagit Station is a multi-modal transportation facility owned and operated by Skagit Transit. Skagit Transit leases space to AMTRAK, Greyhound and to any private concessionaire wishing to operate the coffee shop.

Park and rides facilities maintained by Skagit Transit include:

1. Chuckanut Park and Ride, located near I-5 Exit 231 in north Burlington. This facility is owned by WSDOT and is operated by Skagit Transit. Skagit Transit is owner of the bus island and transfer station located at the Park and Ride.
2. March's Point Park and Ride, located near Anacortes off Highway 20 at Christianson Rd, the facility is owned by Skagit Transit, the land is leased through a long term lease agreement between Skagit Transit and Shell Oil Products, Inc.
3. South Mount Vernon Park and Ride, located in Mount Vernon just off I-5 on Old Highway 99, this facility is owned by Skagit Transit.
4. Alger Park and Ride, located in Alger just off I-5 at exit 240, this facility is owned by Skagit Transit.
5. Sedro-Woolley Park and Ride and Transfer Station, located near the convergence of Cook Road and Highway 20 in Sedro-Woolley.

# Section 1 – Introduction

---

Skagit Transit's Six-Year Transit Development Plan (TDP) identifies how the agency will meet state and local long-range priorities for public transportation through capital improvements, operating changes, and other programs. The plan addresses how such programs will be funded and how it conforms to the State's transportation system policy goals (RCW 47.04.280) by supporting local comprehensive planning, as well as, economic objectives within Skagit County. State transportation system policy is made up of six strategic goals:

- Economic vitality. To promote and develop transportation systems that stimulate, support, and enhance the movement of people and goods to ensure a prosperous economy;
- Preservation. To maintain, preserve, and extend the life and utility of prior investments in transportation systems and services;
- Safety. To provide for and improve the safety and security of transportation customers and the transportation system;
- Mobility. To improve the predictable movement of goods and people throughout Washington state;
- Environment. To enhance Washington's quality of life through transportation investments that promote energy conservation, enhance healthy communities, and protect the environment; and
- Stewardship. To continuously improve the quality, effectiveness, and efficiency of the transportation system.

Regional goals and priorities are set forth in the *Skagit 2040 Regional Transportation Plan* and are consistent with the goals listed above.

Skagit Transit over the next six years aims to maintain efficient fixed route service, a growing vanpool program, and ADA complementary transit service within three-quarters of a mile of local fixed route lines. Also, within the six year timeframe, Skagit Transit plans to modestly expand service into under-served, and unserved urban areas. Along with, expanding service days and hours on routes where demand has or will surpass the current level of service. Actions planned over the next six years are intended to conserve energy and improve access to employment centers, shopping areas, health facilities, housing areas, education facilities, and other existing bus, rail, and ferry systems for all persons irrespective of age, income or physical challenges. Importantly, Skagit Transit plans over the next six years to complete the relocation of its Maintenance, Operations, and Administrative Base (MOA) to a new site that will sustain agency growth for the next 20+ years.

This document provides a framework for guiding service delivery over the next six years. It is reviewed annually and amended to reflect funding realities and changing service needs or objectives. This document is also a tool for communicating Skagit Transit's short- and mid-range plans to the public and is used within the organization to identify grant opportunities, for procurement planning, for budgetary purposes, and for updating the Regional Transportation Improvement Plan, as well as, the State's Transportation Improvement Plan.

## Section 2 - Organization

### Structure of Governance

Skagit Transit was established under RCW 36.57A. The authority was established in 1993 when voters approved a 0.2% local sales tax (\$0.002 per \$1) to support transit service in the Mount Vernon and Burlington areas. Since initial voter approval in 1993, the Public Transit Benefit Area (PTBA), or service area, has expanded to include Anacortes, La Conner, Sedro-Woolley, Lyman, Hamilton, and Concrete. Voters in unincorporated Shelter Bay, Burlington Country Club, North and Northwest Skagit County, and Big Lake have also been annexed into the PTBA after successful voter initiatives to expand Skagit Transit's service area. In November 2008, voters approved an additional 0.2% sales tax to support transit service in the PTBA. Currently Skagit Transit is supported by a 0.4% sales tax. This equates to \$0.04 for every \$10 spent within the PTBA. Fares as well as capital and operating grants also support the expense of the transit system.

### BOARD OF DIRECTORS

*Skagit Transit is governed by a nine-member board of directors. Currently, the board is made up of elected officials representing Skagit County, Anacortes, Burlington, Mount Vernon, Sedro Woolley, and other smaller cities, as well as, towns. The team of nine also includes a tenth non-voting position. This position is titled Labor Representative to the board of directors.*

**Jill Boudreau**  
Mayor, Mount Vernon

**Steve Sexton**  
Mayor, Burlington

**Laurie Gere**, Vice-Chair  
Mayor Anacortes

**Kenneth Dahlstedt**, Chair  
Skagit County Commissioner

**Ron Wesen**,  
Skagit County Commissioner

**Rick DeGloria**  
Burlington City Council

**Lisa Janicki**  
Skagit County Commissioner

**Julia Johnson**,  
Chair Mayor,  
Sedro-Woolley

**Mary Hudson**  
Mount Vernon City Council

# Organizational Chart May 2018

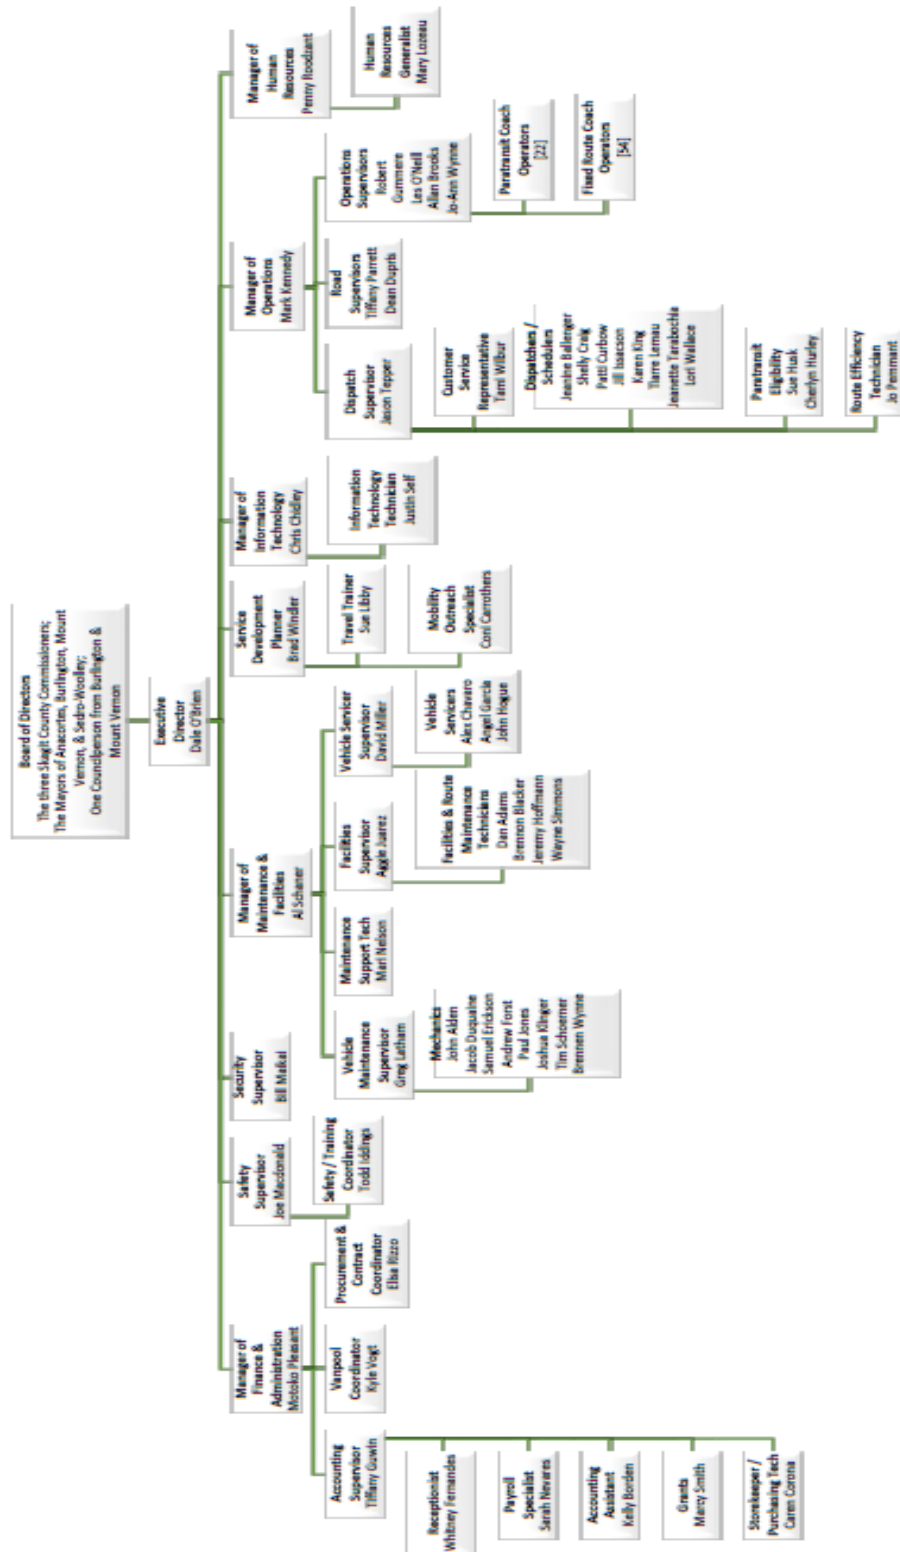

Figure 2-1: 2018 Organization Chart

**(This page left blank intentionally)**

## Mission Statement

To enhance the quality of life in our service area by excelling the efficient and effective provision of safe, accessible, reliable and attractive public transportation services by courteous and professional employees.

## Organizational Values

**Safety:** We commit to ensure that our employees, passengers and the general public's safety are always our first consideration.

**Service Excellence:** We commit to provide safe, clean, reliable, on-time, courteous service for our clients and customers.

**Workforce Development:** We commit to make Skagit Transit a learning organization that attracts, develops, motivates and retains a world class workforce.

**Fiscal Responsibility:** We commit to manage every tax payer and customer-generated dollar as if it were coming from our own pocket.

**Innovation and Technology:** We commit to actively participate in identifying best practices for continuous improvement.

**Sustainability:** We commit to reduce, re-use and recycle all internal resources and reduce greenhouse gas emissions.

**Integrity:** We commit to rely on the professional ethics and honesty of every Skagit Transit employee.

**Teamwork:** We commit to actively blend our individual talents to achieve world-class performance and service.

## Section 3 – Service Characteristics

---

Skagit Transit provides local fixed route service, commuter bus service, ADA transit service, and a vanpool program.

### Fixed Route Service

Skagit Transit's fixed route service includes local routes, commuter routes, and flex routes. In 2017 the number of all fixed route passenger boarding's (local, commuter, and flex) decreased by 4.3% from 2016. Apologies

Fixed route service is offered along a pattern of streets or routes, operating on a set schedule of pulses from Skagit Station, Chuckanut Park and Ride, March's Point Park and Ride, and other designated transfer locations including Skagit

Valley College, 10th Street and Q Avenue in Anacortes, as well as, the Sedro-Woolley Park and Ride.

In 2017 there were 19 fixed routes, including 6 local urban routes, three commuter routes and six rural routes. With all routes combined, Skagit Transit covers 322 miles of streets, roads, and highways. Local fixed routes operated between 5 and 7 days per week. Commuter routes operate 7 days per week. Rural routes operate between 1 and 6 days per week.

All Skagit Transit buses are accessible to persons with ADA requirements. Plus, all local fixed route buses have bike racks.

**Commuter Routes** - Commuter routes are a special category of fixed route service. In 2017, Skagit Transit operated three commuter bus routes, the 80X making express trips between Mount Vernon and Bellingham, the 90X making express trips between Mount Vernon and Everett, and the 40X making express trips between Anacortes and Mount Vernon. Commuter bus schedules feature longer stretches of closed-door service and limited stops. Commuter routes also feature peak commute hour scheduling. Whatcom Transportation Authority (WTA) and Skagit Transit jointly operate the 80X.

*Figure 3-1: 2015 thru 2017 Fixed Route Operating Statistics*

	2015	2016	2017	2016-2017 % Change
<b>Passenger Trips</b>	813,134	698,182	667,890	-4.3%
<b>Revenue Miles</b>	1,241,986	1,192,251	1,266,296	6.2%
<b>Revenue Hours</b>	68,993	67,816	71,103	4.8%

Figure 3-2: Fixed Route Overview

Figure 3-3: 2017 Ridership by Route

## ADA Transit

ADA Paratransit provides specialized transportation comparable with Skagit Transit's fixed-route bus service. **In 2017, ADA transit boarding's decreased by 0.8% from 2016.**

Paratransit is a pre-scheduled service designed for people who are unable to get to the nearest bus stop or use a fixed-route bus. ADA transit is for individuals whose conditions and/or disabilities prevent them from using Skagit Transit's fixed-route buses. To become an ADA transit client, passengers go through an eligibility application and approval process. Curb-to-curb service is provided to most ADA clients within the PTBA service area. Clients are required to call in advance of the trip and inform Skagit Transit of the origin, destination, and time of the trip. It is a shared ride service and clients may be required to remain onboard while other passengers are picked up and dropped off on the way to the rider's destination. ADA transit service operates during the same hours as the fixed routes line it compliments.

Figure 3-4: 2015 thru 2017 ADA Operating Statistics

	2015	2016	2017	2016 to 2017 % Change
<b>Passenger Trips</b>	60,229	64,492	63,977	-0.8%
<b>Revenue Miles</b>	293,958	333,240	341,321	2.4%
<b>Revenue Hours</b>	27,052	30,046	31,044	3.3%

Figure 3-5: Paratransit Ridership

## Vanpool Program

The Vanpool Program is a service that allows people with long commutes to share the drive to work with others making the same or similar trip. In 2017 vanpool passenger trips decreased by 8.4% from 2016. Skagit Transit currently has 46 active vans. A vanpool group consists of 5 to 15 individuals with a driver provided from within the vanpool group. Vanpool groups must either start or end their trip in Skagit County. Groups pay a monthly fee and a per mile charge. Skagit Transit maintains the van and provides fuel and insurance. In 2017, the cumulative sum of the distances ridden by each vanpool passenger totaled 4,905,811 miles. By far the largest number of vanpool users, 60%, are traveling to Snohomish County as Boeing employees. The vanpool program has a goal of increasing the number of vanpool groups by two to five per year, however forecasting demand for the service can be difficult because of variables such as gas prices, tolls, parking, and local employment trends.

	2015	2016	2017	2016 to 2017 % Change
<b>Passenger Trips</b>	60,229	118,028	108,100	-8.4%
<b>Revenue Miles</b>	293,958	1,021,395	981,440	-3.9%
<b>Revenue Hours</b>	27,052	27,976	26,761	-4.3%

Figure 3-6: 2015 thru 2017 Vanpool Operating Statistics

## Fares

Figure 3-7: Current fares have been in place since October 1, 2008

	REGULAR	YOUTH	REDUCED
Standard Fare	\$1.00	\$0.50	\$0.50
One-Day Pass (local)	\$2.00	\$1.00	\$1.00
31-Day Pass (local)	\$25.00	\$12.50	\$12.50
County Connectors (Commuter Service)	\$2.00	\$1.00	\$1.00
County Connector 31-Day Pass	\$50.00	\$25.00	\$25.00
ADA Transit	No Set Fare / By Donation		
Vanpool Fares	\$200 / Month / Vanpool + Mileage Costs (\$0.30 7-person van & \$0.38 12-15- person van)		

## Section 4: Service Connections

---

**Skagit Transit provides services to the following public transportation facilities:**

- Skagit Station, Mount Vernon
- Washington State Ferry Terminal & Guemes Island Ferry Terminal, Anacortes
- Alger Park and Ride, Alger
- Chuckanut Park and Ride, Burlington
- March's Point Park and Ride, Anacortes
- South Mount Vernon Park and Ride, Mount Vernon
- Sedro-Woolley Park and Ride
- Lincoln Creek Park and Ride, Bellingham
- Bellingham Station, Bellingham
- Everett Station, Everett

**Skagit Transit provides connections to the following public transportation providers:**

- AMTRAK trains – Skagit Station
- Greyhound Bus – Skagit Station
- Washington State Ferry, Anacortes
- Skagit County Guemes Ferry, Anacortes
- Island Transit – Skagit Station & March's Point Park & Ride, Anacortes
- Whatcom Transportation Authority – Skagit Station & Bellingham Station
- Everett Transit – Everett Station
- Community Transit – Everett Station
- Sound Transit – Sounder Train/Bus - Everett Station

Skagit Transit provides services convenient to most of the public schools within our service area including Skagit Valley College. Service is also provided to the hospitals in Anacortes, Mount Vernon and Sedro-Woolley as well as to important government centers such as the Skagit County Courthouse and city and town halls.

Through a partnership with Whatcom Transportation Authority a service connection is also provided to Western Washington University in Bellingham.

## **Section 5: Planned Activities, 2018-2023**

---

Over the next six years, Skagit Transit aims to maintain efficient fixed route service, a growing vanpool program, and maintain ADA complementary transit service within three-quarters of a mile of local fixed routes. Skagit Transit also plans to modestly enhance and expand service into underserved, and unserved urban areas and to enhance service to rural areas where demand has surpassed the level of service provided.

The relocation of Skagit Transit's Maintenance, Operations, and Administrative Base (MOA) is the largest capital facilities project planned over the next six years. Based upon a recently completed Feasibility Study, Skagit Transit has purchased a former FedEx facility and some adjacent land for a new MOA facility. Over the next two to three years, Skagit Transit hopes to complete the redevelopment of this facility and to relocate all of its operations and equipment to this facility by 2020.

The following tables describe the planned activities to be undertaken by Skagit Transit from 2018 to 2023. These activities include the deployment of new transit service, the continuation and adjustment of existing service, plan development, MOA base relocation, and equipment purchases. Activities that occur by other entities but involve Skagit Transit funding contributions are noted as "ST Partner Project".

These tables include capital projects and service expansions that may require grant funding to complete. The timing of grant funds can be unpredictable. Project timelines may be pushed forward or back depending on grant availability. In the event that grant funding is not available or insufficient to complete a project, it will be reevaluated.

<b>2018</b>	<b>Planned Activities</b>
<b>Planning</b>	<ul style="list-style-type: none"> <li>• Transit Development Plan Update</li> <li>• Create a Strategic Plan focused on the development and implementation of goals including service changes, infrastructure requirements, funding options, coordination with stakeholders, and public engagement</li> </ul>
<b>Services</b>	<ul style="list-style-type: none"> <li>• Preservation of existing services</li> </ul>
<b>Facilities</b>	<ul style="list-style-type: none"> <li>• Begin the Design and Engineering for MOA Base relocation project (Phase II)</li> <li>• Continue to improve ADA accessibility and overall passenger comfort at bus stops by adding and replacing passenger amenities such as seating, cover, lighting, landing pads, etc.</li> <li>• Camera upgrades to improve safety and security at Skagit Station, the Park and Rides, and the MOA</li> <li>• Upgrades to Skagit Station including: a wiring upgrade, conference room technology upgrades, and installing a new public announcement system</li> </ul>
<b>Equipment</b>	<ul style="list-style-type: none"> <li>• Purchase replacement vehicles according to the schedule on page 22</li> <li>• Upgrade heavy duty coach purchases to electric buses as funding and support facilities permit</li> <li>• Continue paratransit vehicle purchases to use propane fuel as funding and support facilities permit</li> <li>• Begin to plan and design the upgrade/replacement of current vehicle radio system</li> <li>• Finalize the planning and design of the upgrade/replacement of current vehicle radio system</li> <li>• Implement an upgrade/replacement of current vehicle radio system</li> <li>• Design and implement improvements to the existing farebox system</li> <li>• Design and implement improvements to agency website for graphic updates and for mobile friendly viewing.</li> <li>• Replace computer servers and other IT hardware as necessary</li> </ul>

This chart reflects the year that vehicles are ordered. Vehicles may not be received in the same calendar year as that in which they are ordered.

## Section 6: 2017 Notable activities

---

Skagit Transit had the following notable activities occur in 2017.

- Consulting team was selected to design the New MOA 2
- Commuter service was expanded
  - 80X added service on Saturday and Sunday
  - 90X added 3 midday trips on weekdays and introduced service on Saturday and Sunday
  - 40X added several midday trips to provide hourly service all day long
- Local bus service was expanded
  - Route 202 was created to provide better service to south Mount Vernon and the Britt Rd area
  - Route 204 and 206 were redesigned to improve efficiency
- Lighting projects
  - LED lighting was installed at South Mount Vernon and Chuckanut park & ride lots
  - Will significantly reduce electricity usage and is expected to provide a 3.5 year return on investment
- Propane Powered Paratransit Vehicles
  - 12 diesel vehicles have been replaced with propane powered vehicles
  - Propane should power the entire Paratransit fleet by 2022
- Bitimec Bus Washer
  - Can service on average 24 buses a day
  - Previously, on average we could wash about 15 buses per day
  - This has dramatically increased the amount of manpower that can be directed to clean the interior of our vehicles

## Section 7: Capital Improvement Program, 2018-2023

The Capital Improvement Program includes the capital expenses identified in Section 9. However, while the program below shows the entire cost of the MOA Relocation Project, Section 9 Financial Tables only reflect the anticipated 20% local match. Grant funds will actively be sought to cover the remaining costs of design, engineering, and construction. In the event that grant funding is not available or insufficient to complete this project within the next six years, timelines for completion will be re-evaluated.

SECTION 7: CAPITAL IMPROVEMENT PROGRAM 2018-2023						
Preservation	2018	2019	2020	2021	2022	2023
Maint/Admin equip/facility	\$ 322,253	\$ -	\$ -	\$ -	\$ -	\$ -

## Appendix B – Public Participation Process

---

**Public Comment Period:** July 18-August 15, 2018. Submit comments to:

bwindler@skagittransit.org

Skagit Transit  
Service & Development Planner  
600 County Shop Lane  
Burlington, WA 98233

**Public hearing:** Skagit Transit held a public hearing on the Transit Development Plan. The public hearing was held on August 15, 2018 at 1:00PM at the Burlington City Hall Council Chambers, 833 S Spruce St, Burlington, WA 98233.

**Posted to Website:** No Later than July 1, 2017, <http://www.skagittransit.org/news/>

**Public Notices Published:** Skagit Valley Herald (no later than July 18, 2018) and El Mondo (no later than July 17, 2018)

**Requests for Paper or Digital Copies:** On and after July 18, 2018, anyone may request a paper or digital copy of the TDP by emailing bwindler@skagittransit.org or calling 360-757-8801.

**Available to the Public for Review:** On and after July 18, 2018, the public can view a copy of the draft TDP at one of the following locations.

Skagit Station  
Customer Service Counter  
105 E. Kincaid Street  
Mount Vernon, WA 98273

Maintenance, Operations and Administration (MOA) Office  
Reception  
600 County Shop Lane  
Burlington, WA 98233

# Appendix C – Public Transportation MGMT System Inventory

+B3+A1:R20+A1:R19

Owned Rolling Stock Inventory & Verification of Continued Use

I hereby certify that all information reported in the inventories reflects true, accurate and complete information for the agency/organization listed and that project equipment purchased through a state or federal grant agreement is still being used in accordance with the terms and conditions of the grant agreement.

Agency/Organization: Skagit Transit  
 Date: 31-Dec-17
