Dear Property Owner or Resident:

Skagit Transit is evaluating possible sites for the construction of a new Maintenance, Operations, and Administrative base to replace our current facility in Burlington. A Feasibility Study was recently completed that identified and ranked potential sites.

Before a *preferred* site is selected, we would like to hear feedback from interested individuals. The Feasibility Study, which includes conceptual site plans, has been released for public review and comment. You can review the draft Feasibility Study in the following ways:

- Download the document online at <http://www.skagittransit.org/about-us/planning-documents/>
- Review a copy of the document at Skagit Station, 105 East Kincaid Street, Mount Vernon
- Review a copy of the document at the Skagit Transit MOA, 600 County Shop Lane, Burlington
- Request that a copy be emailed or mailed to you by calling 360-757-8801

**Comments will be accepted through April 19, 2015** and may be emailed to [cchase@skagittransit.org](mailto:cchase@skagittransit.org) or mailed to:
