

South Mount Vernon Park and Ride

South Mount Vernon Park and Ride located off Old Highway 99 and Hickox Road in South Mount Vernon is currently being constructed with an estimated completion date of late January 2010.

This facility will have 350+ parking stalls and a bus island. Skagit Transit will operate local and commuter routes from this park and ride. Safety features such as lighting and security cameras will benefit the users of this facility.

This facility is being funded through State and Federal grants, the American Recovery and Reinvestment Act, State appropriated funds and the Washington State Department of Transportation's Regional Mobility Grant Program.

OTAK Inc is the design, engineer and construction manager for Skagit Transit, and Strider Construction is constructing the park and ride.
